1 安全対策

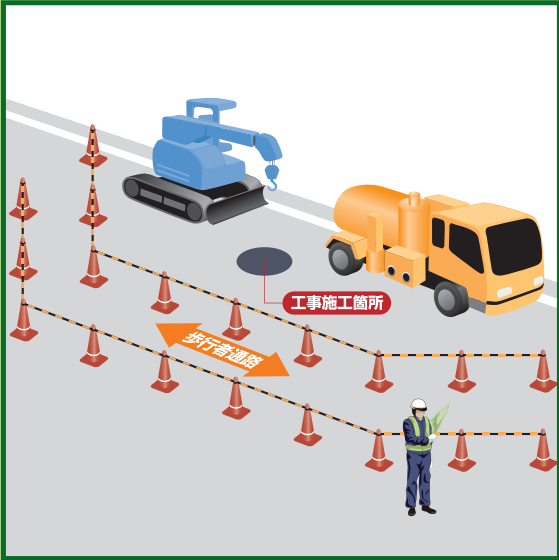

Illustration showing a construction site with safety cones, a blue excavator, and an orange truck. A worker is visible near the site. Labels include '工事施工箇所' (Construction site) and '新行新道' (New road).

2 配水管埋設位置・深度の確認

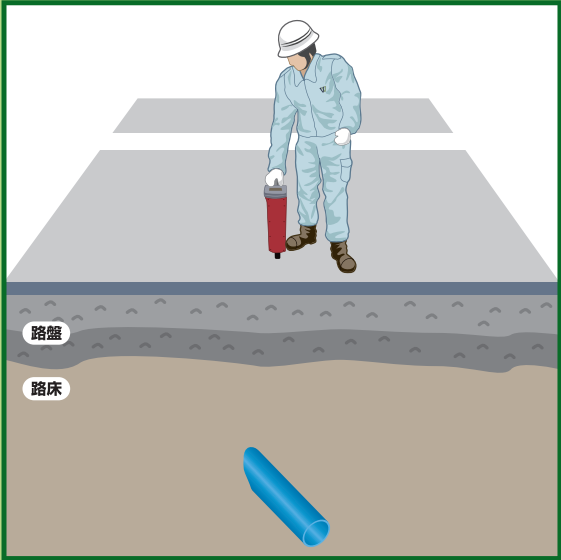

Illustration showing a worker in a blue uniform using a red tool to check the depth of a pipe. The ground is shown in cross-section with labels for '路盤' (Subgrade) and '路床' (Subbase).

3 舗装カッター工 (汚水真空吸引カッター)

Illustration showing a worker in a blue uniform operating a yellow paving cutter machine on the road surface.

4 舗装版処理

Illustration showing two workers in blue uniforms lifting a large paving slab with a crane. A label 'マジバック' (Majiback) is present.
